

Morgan High School

Freshman Day Camp

The transition to high school is a big step for students and parents. We want to give our students every opportunity to feel comfortable on their first day of high school.

That's why we have Freshman Day Camp.

When: Wednesday August 16 2017

8:30am-2:00pm

Where: Morgan High School (see back for busing information). Students will receive their schedules, take tours, get to know staff and administration, and participate in activities to improve the student's overall 9th grade experience.

Lunch will be provided.

If you have further questions, please call the high school (740-962-2944).

We hope to see you on the 16th!

Busing for the program will be provided from **centralized locations** within the county.

If a student is riding the bus in the morning they will be expected to be at the pick up location **prior** to the scheduled **departure time**.

Students being picked up at a drop off location in the afternoon will need to have their ride arrive **prior** to the scheduled **arrival time**.

Students will be expected to ride the **same bus in the PM that they rode in the AM** unless they have a note from a parent/guardian approved in the office to ride to a different stop.

Questions concerning busing should be directed to the Bus Garage at 962-3685.

The busing schedule is as follows:
