Dear Current Seventh Grade Parent(s) or Guardian(s):

I will be sponsoring a school board approved **educational tour to Washington D.C. and Gettysburg, PA** for interested eighth grade students tentatively scheduled for **May 9-12, 2018**. I will be giving the students more information about this in September when we come back from summer vacation but I wanted to get the word out now so you can begin planning for this trip. I do not have an exact cost due to being a year away, but this past year's cost of the trip was \$470.00 per person (based on quad occupancy for sleeping arrangements). With inflation and fuel costs, I expect this trip to cost a little more. For this price each student receives:

1. Round-trip transportation in a modern air-conditioned motor coach
2. Meals
3. Tour guides on each bus
4. Hotel accommodations for two nights
5. Admission to every sightseeing event
6. Complete liability and medical coverage
7. Nighttime supervision

This program is complete and the tour costs cover everything with the exception of souvenirs and snacks. The trip is optional, but well worth the price. It will give the students the opportunity to see our government in action, appreciate our history, honor our heroes, and experience life in a big city. I hope your child will take this opportunity to travel to our nation's capital.

**Payment Due Dates:** These are deadlines and **MUST** be met to allow for transfer of funds to the travel company. Of course, you may pay the entire balance before the due dates if this is more convenient for you. The tour is being arranged and booked by Prodigy Student Travel LLC of Worthington, OH. **Please make all checks payable to: Morgan Local School District.**

1<sup>st</sup> Deposit of \$100.00 (amt/person) due on November 3, 2017

Final Balance Due on February 2, 2018

We are having a fundraiser which will be offered in the fall. Information will be given to the students in September about this fundraiser. Please take advantage of this money making opportunity.

There are factors that may affect whether the student is allowed to experience this field trip. Any discipline issues that occur during the school year may prevent the student from participating.

Thanks for helping me make education come to life for our students.

Sincerely,

Jeff Bragg  
8<sup>th</sup> Grade Social Studies Teacher

**WASHINGTON DC TRIP EXTRAVAGANZA TICKET**  
**AND RAFFLE DISCLAIMER**

The Washington DC/Gettysburg trip is scheduled for May 11-14, 2016 and the estimated cost is \$446.00 per student. In order to help pay your way, we have a couple of fundraisers planned.

The first one is the Extravaganza ticket raffle. Fox Heating and Cooling has donated two Extravaganza tickets to Morgan Junior High School for us to raffle off. These tickets have a face value of \$50.00. The Extravaganza will be held on May 30, 2015 at the Morgan County Fairgrounds. We are selling chances on this ticket at the cost of \$5.00 per chance.

This raffle has a **100% profit** for the student. Every ticket you sell will go to paying your cost of the trip. For example, if you sell 20 tickets at \$5 each, that will total \$100. Your trip would now cost you \$346.

Please ensure the ticket has all of the person's information **and your name as seller on it.** You want to get credit as the salesperson!

You may turn the tickets and money into the school office as soon as you sell them. Final tickets and money are due back to the school no later than Tuesday, May 19, 2015. We will draw the winner on May 21, 2015. The winner will be notified by telephone.

***IN THE EVENT THAT THE STUDENT DOES NOT GO ON THE TRIP, (ILLNESS, DISCIPLINE ISSUES, MOVE OUT OF DISTRICT) NO FUNDRAISER MONEY WILL BE RETURNED TO THE STUDENT. THE MONEY EARNED BECOMES PROPERTY OF THE MJHS WASHINGTON DC ACCOUNT. THOSE FUNDS WILL HELP OTHER STUDENTS WHO NEED ASSISTANCE TO PAY FOR THEIR TRIP.***
